# Emergency Housing Heat Map – "Demand"

This map provides a visual representation of where there is a need for emergency housing interventions, based on a combined ranking of the number of EH SNG clients and Severe Housing Deprivation, and highlights regions of focus that have been identified through the emergency housing system review.

Area with high need

Te Tai Tokerau

- 112 EH SNG clients in June 2022 quarter
  - *6 per 10,000 people*
  - *28% decline from June 2021*
- Severe Housing Deprivation: 149
- 37% of general population Māori

Area of ongoing focus for emergency housing

Rotorua

- 450 EH SNG clients in June 2022 quarter
  - *60 per 10,000 people*
  - *27% decline from June 2021*
- 52% of households receiving an EH SNG for 6+ months
- 69% of EH SNG households single adults
- 1,104 housing register applicants as at 30 June 2022
- Severe Housing Deprivation: 132
- 40% of general population Māori

Area with high need

Eastern Bay of Plenty

- 142 EH SNG clients in June 2022 quarter
  - *26 per 10,000 people*
  - *15% increase from June 2021*
- Severe Housing Deprivation: 124-214
- 52% of general population Māori

Area with high need

South Auckland

- 906 EH SNG clients in June 2022 quarter
  - *27 per 10,000 people*
  - *22% decline from June 2021*
- Severe Housing Deprivation: 140-300
- 41% of general population Pasifika

Area of confirmed immediate focus for EH Review

Hamilton City

- 994 EH SNG clients in June 2022 quarter
  - *59 per 10,000 people*
  - *16% increase from June 2021*
- 45% of households receiving an EH SNG for 6+ months
- 53% of EH SNG households with children
- 1,805 housing register applicants as at 30 June 2022
- Severe Housing Deprivation: 91

Area with high need

Tairāwhiti

- 159 EH SNG clients in June 2022 quarter
  - *32 per 10,000 people*
  - *1% decline from June 2021*
- Severe Housing Deprivation: 121
- 54% of general population Māori

Note that while **Hastings** appears to be a region of relatively high need, good progress has been made through HUD's place-based partnership in reducing EH SNG motel use over the past six months.

Area of confirmed immediate focus for EH Review

Wellington Metro

- 865 EH SNG clients in June 2022 quarter
  - *20 per 10,000 people*
  - *12% decline from June 2021*
- 48% of households receiving an EH SNG for 6+ months
- 69% of EH SNG households single adults
- 2,125 housing register applicants as at 30 June 2022
- Severe Housing Deprivation: 47-116

Note that nationwide there were approximately 7,600 EH SNG clients in the June 2022 quarter, a 4% decline on the June 2021 quarter.

Key:

High level of EH SNG use and/or Severe Housing Deprivation

Low level of EH SNG use and/or Severe Housing Deprivation

Emergency Housing Heat Map – Supply pipeline

This map provides an overview of the supply pipeline across regions, alongside a visual representation of where there is need for emergency housing interventions from a "demand" perspective. Note that the colouring of regions mirrors that from the first heat map.

Te Tai Tokerau
- Public homes: 2,260
  - *Pipeline: 189*
- Transitional Housing places: 252
  - *Pipeline: 1*
- 42 homes contracted through Whai Kāinga Whai Oranga

Auckland
- Public homes: 35,780
  - *Pipeline: 3,027*
- Transitional Housing places: 2,496
  - *Pipeline: 538*
- 25 homes contracted through Whai Kāinga Whai Oranga
- 21 sites acquired through Land for Housing Programme

Bay of Plenty
- Public homes: 3,143
  - *Pipeline: 830*
- Transitional Housing places: 368
  - *Pipeline: 110*
- One site acquired through Land for Housing Programme

Waikato
- Public homes: 5,049
  - *Pipeline: 952*
- Transitional Housing places: 445
  - *Pipeline: 140*
- 86 homes contracted through Whai Kāinga Whai Oranga
- One site acquired through Land for Housing Programme

East Coast
- Public homes: 4,364
  - *Pipeline: 387*
- Transitional Housing places: 510
  - *Pipeline: 54*
- 336 homes contracted through Whai Kāinga Whai Oranga
- One site acquired through Land for Housing Programme

Taranaki
- Public homes: 1,264
  - *Pipeline: 86*
- Transitional Housing places: 27
  - *Pipeline: 7*

Central
- Public homes: 2,538
  - *Pipeline: 246*
- Transitional Housing places: 168
  - *Pipeline: 42*

West Coast Tasman
- Public homes: 1,707
  - *Pipeline: 231*
- Transitional Housing places: 94
  - *Pipeline: 63*
- One site acquired through Land for Housing Programme

Wellington
- Public homes: 9,261
  - *Pipeline: 780*
- Transitional Housing places: 564
  - *Pipeline: 95*
- Two sites acquired through Land for Housing Programme

Canterbury
- Public homes: 8,987
  - *Pipeline: 1,032*
- Transitional Housing places: 443
  - *Pipeline: 49*
- Four sites acquired through Land for Housing Programme

Southern
- Public homes: 1,918
  - *Pipeline: 202*
- Transitional Housing places: 153
  - *Pipeline: 6*
- One site acquired through Land for Housing Programme

Keys:

High level of EH SNG use and/or Severe Housing Deprivation — Low level of EH SNG use and/or Severe Housing Deprivation
