Some parts of this information release would not be appropriate to release and, if requested, would be withheld under the Official Information Act 1982 (the Act). Where this is the case, the relevant sections of the Act that would apply have been identified. Where information has been withheld, no public interest has been identified that would outweigh the reasons for withholding it. This is the key to the redaction codes used for this release:

- Section 9(2)(f)(iv): This information is under active consideration. The release of this information at this time would be likely to prejudice the ability of government to consider advice and the wider public interest of effective government would not be served.
