

23 SEP 2019

On 8 August 2019, you contacted the Office of Hon Kelvin Davis, Minister of Corrections requesting, under the Official Information Act 1982, the following information:

An official list of all Emergency Housing providers and individual motel, boarding houses etc. that are to Suppliers to Work and Income/ MSD in the whole of New Zealand.

On 23 August 2019, this request was transferred to the Ministry of Social Development to respond to.

The Emergency Housing Special Needs Grant (EH SNG) is available to people who cannot remain in their usual place or residence, if any, and do not have access to other accommodation which is adequate for them or their family's needs. The Ministry pays EH SNGs directly to the accommodation supplier and assistance is generally granted for up to seven nights but can be extended dependant on individual circumstances.

After these seven nights Work and Income arrange another appointment with the client to discuss their housing situation and if another grant is required. The Ministry works hard to support people in emergency housing to secure a long-term housing solution, either through public housing and private rental accommodation. Other options including transitional housing can also be explored as an option depending on availability and the individual's circumstances.

The Ministry recognises that motels are not a long-term solution or the solution that we want to deliver for people who are potentially in a vulnerable situation. They provide a short-term solution while more sustainable options are progressed. More information about EH SNGs is available here: www.housing.msd.govt.nz/housing-options/emergency-housing.html.

Please find enclosed Table One, which lists all accommodation suppliers in New Zealand that have received Emergency Housing Special Needs Grants in the quarter ending 30 June 2019.

The principles and purposes of the Official Information Act 1982 under which you made your request are:

- to create greater openness and transparency about the plans, work and activities of the Government,
- to increase the ability of the public to participate in the making and administration of our laws and policies and
- to lead to greater accountability in the conduct of public affairs.

This Ministry fully supports those principles and purposes. The Ministry therefore intends to make the information contained in this letter and any attached documents available to the wider public shortly. The Ministry will do this by publishing this letter on the Ministry of Social Development's website. Your personal details will be deleted and the Ministry will not publish any information that would identify you as the person who requested the information.

If you wish to discuss this response with us, please feel free to contact OIA_Requests@msd.govt.nz.

If you are not satisfied with this response regarding Emergency Housing Special Needs Grants Suppliers in New Zealand, you have the right to seek an investigation and review by the Ombudsman. Information about how to make a complaint is available at www.ombudsman.parliament.nz or 0800 802 602.

Yours sincerely

A handwritten signature in blue ink, appearing to read 'K. Hocking', with a stylized flourish at the end.
