10 January 2021

Tēnā koe

On 6 December 2021, you emailed the Ministry of Social Development (the Ministry) requesting, under the Official Information Act 1982 (the Act), the following information:

- *the following data as at 1 November 2019; 1 November 2020 and 1 November 2021 (or the nearest dates in those years for which data is available):*
 - 1) *The number of Community Service Card holders nationwide*
 - 2) *The number of Community Service Card holders in each region*
 - 3) *The number of Community Service Card holders in each region who are also eligible for a Super Gold Card (i.e. are aged 65+)*

On 6 December 2021 you also requested the following information:

- *The following data as at November 2021 (or the nearest date for which data is available):*
 - 1) *The number of Community Service Card holders nationwide who also have Total Mobility Cards*

On 6 December 2021 the Ministry advised that, as both your requests for information relating to Community Services Cards (CSC) and were received in quick succession, we would be combining requests as per section 18A(2) of the Act. As such, the Ministry is providing one response to your requests.

CSCs are available to low or middle-income earners to enable them and their families to access subsidised health services. The Ministry's Senior Support Centre is responsible for determining if a client qualifies for a CSC, and for the distribution and administration of the card. Clients receiving an income-tested benefit are automatically issued a CSC.

You can find more information regarding CSCs at the following link: www.workandincome.govt.nz/map/card-services/community-services-card/introduction.html.

Total Mobility Cards are administered by Waka Kotahi to subsidise door-to-door transport for disabled people who cannot use regular public transport services, all or some of the time. Eligibility for Total Mobility Cards is purely based on a person's inability to complete any of the components of their journey using public transport services. The eligibility is not means tested, therefore there is no reason for councils to collect CSC information from Total Mobility Scheme clients.

More information on the Total Mobility Scheme can be found at the Waka Kotahi website here: www.nzta.govt.nz/resources/total-mobility-scheme/total-mobility.html

Therefore I am refusing this part of your request under section 18(g) of the Official Information Act as the information you have requested about the number of CSC holders who *also hold* a Total Mobility Card is not held by the Ministry (as the Ministry does not collect information on Total Mobility cards) and I have no grounds to believe that the information is held by another department or Minister of the Crown or organisation (as the councils or Waka Kotahi do not hold information on the CSC status of Total Mobility Scheme clients).

In response to the first part of your request, please see **Table One** below, which contains the following information:

- The number of CSCs on issue, either on its own or with a Super Gold Card, as at the end of October 2019 to 2021, broken down by Territorial Local Authority.

The principles and purposes of the Official Information Act 1982 under which you made your request are:

- to create greater openness and transparency about the plans, work and activities of the Government,
- to increase the ability of the public to participate in the making and administration of our laws and policies and
- to lead to greater accountability in the conduct of public affairs.

This Ministry fully supports those principles and purposes. The Ministry therefore intends to make the information contained in this letter and any attached documents available to the wider public. The Ministry will do this by publishing this letter on the Ministry of Social Development's website. Your personal details will be deleted, and the Ministry will not publish any information that would identify you as the person who requested the information.

If you wish to discuss this response with us, please feel free to contact OIA_Requests@msd.govt.nz.

If you are not satisfied with this response regarding CSC holders, you have the right to seek an investigation and review by the Ombudsman. Information about how to make a complaint is available at www.ombudsman.parliament.nz or 0800 802 602.

Notes

- CSC is Community Services Card.
- SGC is Super Gold Card.
- This table shows CSC holders and CSC/SGC holders.
- CSCs are issued to both eligible members of a couple. In this table, both members are counted.
- Territorial Local Authority (TLA) is estimated based on the clients address at the time of the issue.
- To protect confidentiality the Ministry of Social Development uses processes to make it difficult to identify an individual person or entity from published data.
- These data tables have had random rounding to base three applied to all cell counts in the table
- The impact of applying random rounding is that columns and rows may not add exactly to the given column or row totals
- The published counts will never differ by more than two counts
