On 29 June 2022, you emailed the Ministry of Social Development (the Ministry) requesting, under the Official Information Act 1982 (the Act), the following information:

- 1. May I ask how many applications you have received and how many you have shortlisted.*
- 2. The pay rate for Community Representatives on the Collective Impact Board.*
- 3. Do you received any nominations from any government's nomination service, if you did, from which agency.*
- 4. Also, "The selection panel make a final decision which is sent to the Minister for endorsement." May I kindly have the name of people who on the selection panel? Their Bio if available.*

The Collective Impact Board was established on 25 May 2021 and is made up of agency and community representatives to guide ongoing support services for the families and individuals affected by the Christchurch mosque attacks. The Board was established in line with recommendation 26 of the Royal Commission of Inquiry report. The Collective Impact Board provides advice and recommendations to the Kaiwhakaoranga Service to help inform the wrap around services and support provided to the affected community.

You can find further information regarding the Collective Impact Board, at the following link: www.collectiveimpactboard.org.nz/en_NZ/about-us/.

For the sake of clarity, I will address your questions in turn.

- 1. May I ask how many applications you have received and how many you have shortlisted.*

The Ministry received 10 applications from individuals, and of those 10, recommended four people be appointed to the vacant positions on the Collective Impact Board.

2. The pay rate for Community Representatives on the Collective Impact Board.

Community representatives do not receive a pay rate, however, they receive a board fee. The board fee consists of \$197.50 (including GST) to prepare for and attend a scheduled half-day Board meeting, and \$395.00 (including GST) to prepare for and attend a scheduled full-day Board meeting.

You can find further information regarding commitments and fees, at the following link:

3. Do you received any nominations from any government nomination service, if you did, from which agency.

The Ministry did not receive any nominations from any government Agency.

Current members had the option to re-sit on the Board until May 2023. A small number of members will not be sitting for a second term which has created vacant positions. These vacant positions are filled through self-nominations and not via nominating other people.

4. Also, "The selection panel make a final decision which is sent to the Minister for endorsement." May I kindly have the name of people who on the selection panel? Their Bio if available.

Diane McDermott, Nick Tolan, Hamimah Ahmat and Hisham Eldai are the four people on the selection panel.
