Tēnā koe

On 2 August 2023, Kāinga Ora transferred the following request to the Ministry of Social Development (the Ministry), under the Official Information Act 1982 (the Act):

- *Under the OIA can I please have information on where the emergency housing is located in Browns Bay, Albany, Oteha, Northcross, Torbay, Waiake, Fairview heights, Pinehill, Long Bay.*

Demand for housing across New Zealand is growing and many people are experiencing a severe and immediate need. This demand is generated by a shortage of affordable housing driving up house prices and rents. People on low incomes are most affected by rising housing costs and many seek financial help through the Ministry.

The Emergency Housing Special Needs Grant (EH SNG) is available to people who cannot remain in their usual place of residence, if any, and do not have access to other accommodation which is adequate for them or their family's needs. The Ministry pays EH SNGs directly to the accommodation supplier and assistance is generally granted for up to seven nights but can be extended dependant on individual circumstances.

After these seven nights Work and Income arrange another appointment with the client to discuss their housing situation and if another grant is required. The Ministry works hard to support people in emergency housing to secure a long-term housing solution, either through public housing or private rental accommodation. Other options including transitional housing can also be explored as an option depending on availability and the individual's circumstances.

The Ministry recognises that motels are not a long-term solution or the solution that we want to deliver for people who are potentially in a vulnerable situation. They provide a short-term solution while more sustainable options are progressed. More information about EH SNGs is available at the following link: [www.workandincome.govt.nz/housing/nowhere-to-stay/emergency-housing.html](http://www.workandincome.govt.nz/housing/nowhere-to-stay/emergency-housing.html)

Some people may struggle to access suitable housing due to a lack of available supply or they simply may not be able to meet the high cost of housing which may result in them receiving EH SNG support for an extended period of time.

For people with high and complex needs, it can sometimes be challenging to identify suitable long-term housing, which can lead to longer stays in emergency housing. Work and Income work closely with these people to see what can be done to ensure that once they have a home of their own, they have the skills to sustain it, and the support they need to keep it.

You have requested a list of accommodation suppliers available in the Browns Bay, Albany, Oteha, Northcross, Torbay, Waiake, Fairview heights, Pinehill and Long Bay. To break this information down by suburb, the Ministry would have to manually check addresses. As such, this request is refused under 18(f) of the Act. The greater public interest is in the effective and efficient administration of the public service.

I have considered whether the Ministry would be able to respond to your request given extra time, or the ability to charge for the information requested. I have concluded that, in either case, the Ministry's ability to undertake its work would still be prejudiced.

The Ministry is unable to provide a list of EH suppliers in a certain area as businesses may provide a registered address that is different to the physical address of their service (for example, a PO Box). The Ministry can instead provide a list of EH suppliers that have received an EH SNG on behalf of a client with a registered address in the Auckland Super City Territorial Local Authority (TLA) area.

Please find the attached **Appendix** containing a list of Emergency Housing Suppliers used by clients living in Auckland Super City TLA from 1 July 2022 to 30 June 2023.

The principles and purposes of the Official Information Act 1982 under which you made your request are:

- to create greater openness and transparency about the plans, work and activities of the Government,
- to increase the ability of the public to participate in the making and administration of our laws and policies and
- to lead to greater accountability in the conduct of public affairs.

This Ministry fully supports those principles and purposes. The Ministry therefore intends to make the information contained in this letter and any attached documents available to the wider public. The Ministry will do this by publishing this letter on the Ministry's website. Your personal details will be deleted, and the Ministry will not publish any information that would identify you as the person who requested the information.

If you wish to discuss this response with us, please feel free to contact [OIA\\_Requests@msd.govt.nz](mailto:OIA_Requests@msd.govt.nz).

If you are not satisfied with this response regarding emergency housing supplier in Auckland, you have the right to seek an investigation and review by the Ombudsman. Information about how to make a complaint is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or 0800 802 602.
