Tēnā koe

On 26 May 2023, you emailed the Ministry of Social Development (the Ministry) requesting, under the Official Information Act 1982 (the Act), the following information:

- *I am wondering if the distinct clients are able to be broken down by gender at all? We are specifically interested in the number of people who identify as wāhine who are receiving emergency housing support.*

Demand for housing across New Zealand is growing and many people are experiencing a severe and immediate need. This demand is generated by a shortage of affordable housing driving up house prices and rents. People on low incomes are most affected by rising housing costs and many seek financial help through the Ministry.

The Emergency Housing Special Needs Grant (EH SNG) is available to people who cannot remain in their usual place of residence, if any, and do not have access to other accommodation which is adequate for them or their family's needs. The Ministry pays EH SNGs directly to the accommodation supplier and assistance is generally granted for up to seven nights but can be extended dependant on individual circumstances.

After these seven nights Work and Income arrange another appointment with the client to discuss their housing situation and if another grant is required. The Ministry works hard to support people in emergency housing to secure a long-term housing solution, either through public housing or private rental accommodation. Other options including transitional housing can also be explored as an option depending on availability and the individual's circumstances.

The Ministry recognises that motels are not a long-term solution or the solution that we want to deliver for people who are potentially in a vulnerable situation. They provide a short-term solution while more sustainable options are progressed. More information about EH SNGs is available at the following

link: www.workandincome.govt.nz/housing/nowhere-to-stay/emergency-housing.html

Please find attached the **Appendix**, which details the number of EH SNGs granted and distinct clients during the period 1 October 2016 to 31 December 2022, broken down by territorial local authority and gender.

In order to protect client privacy, some values are suppressed and are represented by 'S'. The Ministry is unable to provide you with the exact number as releasing this information is likely to risk identifying the individuals concerned. As such, this information is withheld under section 9(2)(a) of the Act. The need to protect the privacy of these individuals outweighs any public interest in the information.

The principles and purposes of the Official Information Act 1982 under which you made your request are:

- to create greater openness and transparency about the plans, work and activities of the Government,

This Ministry fully supports those principles and purposes. The Ministry therefore intends to make the information contained in this letter and any attached documents available to the wider public. The Ministry will do this by publishing this letter and attachments on the Ministry's website. Your personal details will be deleted, and the Ministry will not publish any information that would identify you as the person who requested the information.
