Social Cohesion

Our Vision:

People, families, whānau
and communities are
thriving together.

Actions

Fostering
inclusive social
values that
unite us and
value diverse
contributions

Supporting
and
facilitating
participation

Encouraging
and facilitating
positive
interactions
within and
across diverse
groups

Protecting
our society and
environment for
future
generations

Tackling
all forms of
discrimination

Ensuring
equitable
access to the
determinants
of wellbeing
for all

Enablers

Flexible
approaches
that
recognise
different
needs

Leadership
and
willingness
to take
risks

Inclusive
quantitative
and
qualitative
data
research

Community-
driven
development

Outcomes

All people feel
connected and
that they belong

People are
recognised for
who they are and
respect others

All people are
included and
experience
equity

All people are
willing and able
to participate

People trust
each other and
institutions

We'll also make progress towards our social cohesion vision by working to make the places where people live, work, play and learn more safe, inclusive and supportive. This includes work to make the systems and services in our society more fair and able to respond to different needs and issues.
